

ZIMMER+ROHDE

Product data sheet

SLOPE is brought to life by its special effect thread. A flammé yarn, which is wrapped in a fine monofilament thread, was specially developed for this item. It owes its unique, artful weave to a type of yarn that is distributed thinly and thickly throughout the entire fabric to create a harmonious allover look. SLOPE represents a casual, chic interpretation of modernity that can be seamlessly integrated into any space.
