

ZIMMER+ROHDE

Product data sheet

DIAMOND is already our new classic for this year's Zimmer + Rohde collection, with small diamonds standing out from the understated shimmer of the satin background. Weaved on a Jacquard loom with a particularly fine warp arrangement, this fine design could almost pass as embroidery. This article is available in 14 colourways.

Zimmer + Rohde

Diamond

ARTICLENUMBER	10571885
COLLECTION	Urban Jungle
NUMBER OF COLORS	4
CATEGORY	Fabrics
MOTIVE	Uni
FABRIC WIDTH	150 cm
EFFECTIVE WIDTH	-
WEIGHT	307 g/m ²
MATERIAL	63% Cotton, 37% Polyester
MARTINDALE	30000
CARE INSTRUCTIONS	
ADDITIONAL INFORMATION	-
PROPERTIES / USAGE	-
