

ZIMMER+ROHDE

Product data sheet

Tinto is a new all-rounder in the Zimmer + Rohde collection. This upholstery fabric with a soft touch is impressive with a comprehensive palette of 100 colours and a robust quality. The chenille thread in the weft makes it pleasant to touch; combined with an effect thread in the warp, an interesting in-depth colour interplay is achieved. Tinto is a highly valuable foundation article that offers good value for money. After the success of Loft, this is the second upholstery fabric from Zimmer+Rohde with 100 colours.
