

ZIMMER+ROHDE

Product data sheet

The versatile TINTO has been a timeless staple in the Zimmer + Rohde collection for many years. This upholstery fabric captivates with its soft touch, a rich palette of 100 shades, and outstanding durability. Chenille yarn in the weft provides a pleasing handfeel, while an effect yarn in the warp creates a fascinating interplay of color with impressive depth.

For the 2025 collection, our design team has reimagined 40 of the 100 colors, enriching the palette with contemporary pastel tones for a fresh, charming look.
