

ZIMMER+ROHDE

Product data sheet

Despite being machine manufactured, SCRIPT can genuinely be described as a textile work of art. The casual decorative fabric is fascinating in more ways than one. The block stripes, which are only delicately hinted at, are composed of countless yarns woven into the base fabric at specific points, reminiscent of lines of text written by an unknown hand. The lively base colors were achieved in an artistic handcrafted dyeing process.

This fabric is made of 100% European linen and manufactured in Italy.
