

ZIMMER+ROHDE

Product data sheet

This embroidered 100% linen fabric is a testimony of Etamine Paris' love of exuberant nature. The leaves blend and intertwine in a rhythmic dance until they form a whole. The embroidery work here is coded art and a true labour of love. Each leaf is embroidered in chain stitch with a matt cotton-like thread. The stitches delicately follow the direction of the shapes. The step from art to fabric is minute. Available in three colours.
