

ZIMMER+ROHDE

Product data sheet

With a broad weave, SAINT-TROPEZ boasts graceful tennis stripes and offers both indoor and outdoor technical properties.

Its resistance to chlorinated and salt water, along with its excellent color fastness in both sunlight and bad weather, bears witness to the performance of this beautiful stripe. The weft yarns are delicately mottled and it is as soft as cashmere to the touch. SAINT-TROPEZ is so natural that decorators of refined interiors and exteriors will be unable to resist its charm.
