ZIMMER+ROHDE

Product data sheet

With this high quality plain velour, the Z+R collection offers a hard-wearing upholstery item which is also a soft, easily draping decorative fabric - a timeless classic for every occasion. The varied colour palette ranges from the neutral and elegant to bold, fresh colourways. The pleasantly dry surface of this refined cotton velour emphasises the grandeur of an elegant world of interiors just as perfectly as it does the clarity of the modern interior world.
