Product data sheet

Inspired by beautiful cane baskets, LYNDEN VELVET TAPE is a dimensional cut velvet woven on traditional wire looms. The interlacing cut pile pattern is enhanced by fine epingle lines at the edges adding a decorative relief. It has the perfect amount of sheen and glamor, just like the work of its namesake Lynden Miller, who left her inimitable mark on the design of many of New York City's best known gardens. Available in four classic colors, it has a sheared finish, ensuring it is smooth and luxurious to the touch.
