Product data sheet

VIONNET is an intricate fish scale design that plays with light and shadow, mixing velvet with 3 shades of embroidery. It is named for Madeleine Vionnet, one of the most influential fashion designers of the 20th century, known for her precise construction of garments. Like Vionnet's creations, this tape radiates elegance. Its subtly embroidered ombre detail and accent outline colour add depth to the tape, which is available in six stunning colorations.
