Product data sheet

ZIGGURAT is a luxurious cut velvet tape woven on a wire loom that produces a very small batch per day. Inspired by the classic pyramidal structure also prominent in Art Deco design, ZIGGURAT has a special weft accent colour giving it added dimension. Offered in 4 lush velvet colorations, the palette ranges from soft blush/grey and gold/grey to bolder peacock/aqua and black/charcoal combinations. It is boldly dimensional and dramatic like the buildings that define this era.
