

ZIMMER+ROHDE

Product data sheet

VALENTINA is a floral embroidered tape with bouclé details named for the designer and her eponymous couture house that dressed luminaries like Greta Garbo and Gloria Swanson. The pattern has a mix of matte and shiny yarns used in a special chain stitch similar to a crewel to make the bouclé flowers. VALENTINA is offered in four colours which include refined natural and ivory options as well as playful pink and blue combinations.
