

ZIMMER+ROHDE

Product data sheet

Strong brushstrokes with accents of colour create the design of Clouds Hill. Carefully planned layering and finely matched colour nuances makes the surface effect of this wall covering an interesting one. The digitally printed design is supported by a coarse fabric made from firmly twisted, fine paper yarn, lending Clouds Hill a three-dimensional structure. The four colours of Clouds Hill vary from neutral understatement to eccentric colour combinations, therefore offering a diverse range of design possibilities.
