

ZIMMER+ROHDE

Product data sheet

Sphere Wall is a refined single-colour fabric that completes the Heritage collection. It references the Sphere decorative fabric from the Zimmer + Rohde textile collection; delicate, stitch-like lines create an exclusive, three-dimensional, all-over effect. A fine grid in alternating sections of matching and contrasting colours is laid across the colourful, softly shimmering background in stylishly coordinated natural tones that range through to an elegant shade of soft pink.
