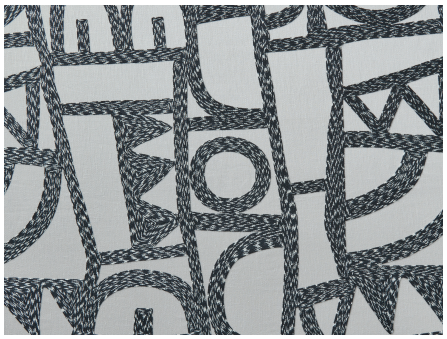
ZIMMER+ROHDE



Product data sheet

An ethnic drawing served as the inspiration for the high-quality decorative fabric TANGLE. A special embroidery thread was developed to bring to life this three-dimensional embroidery. The natural cotton is partially dyed with a contrasting colour using the space dye process. A random pattern is created within the shapes as the linen satin is carefully embroidered.

Zimmer + Rohde

Tangle

ARTICLENUMBER	10874994
COLLECTION	Modern Graphics
NUMBER OF COLORS	3
CATEGORY	Fabrics
MOTIVE	Graphic
FABRIC WIDTH	152 cm
EFFECTIVE WIDTH	132 cm
WEIGHT	349 g/m²
MATERIAL	100% Flax (linen) Embroidery: 100% Cotton
MARTINDALE	-
CARE INSTRUCTIONS	
ADDITIONAL INFORMATION	Recommend puddle on the floor
PROPERTIES / USAGE	-
ACOUSTIC PROTECTION	-
LIGHT FASTNESS (EN ISO 105-B02)	4
DYEING METHOD	yarn dyed
PILLING (EN ISO 12945-2)	-
RAPPORTWIDTH	65 cm
RAPPORTHEIGHT	80 cm
MANUFACTURING METHOD	-
