

ZIMMER+ROHDE

Product data sheet

Due to its success we have added new tones to the previously neutral MEMO range: lemon, rosé, raspberry, turquoise, reed, light blue and midnight blue. Neutral, pastel and bright colours complement each other and provide a comprehensive palette. The fine warp rib and subtle shine create elegance, particularly on upholstery. This plain fabric works well in established settings, whether in the form of a large sofa or as a colour accent on an individual piece. MEMO is available in a small ZR book (19 × 21 cm).
