Product data sheet

COLLIOURE embodies the joy of the colours of summer. The design represents the curves of a pine tree on the beaches of Pampelonne and the natural abstraction of the rocks at Cap Camarat that surround the bay of Saint-Tropez. A jacquard-woven fabric, the warp in coloured satin contrasts with the weft, in white-dyed slubbed cotton. The six glowing colours – pearl white, chalky beige, charcoal grey, lemon yellow, watermelon pink, slate blue – remind us of the summery charm of the houses in the little fishing port at sundown.
