Material: Ground/Pile: 70% Cotton, 30% Flax (linen)
Rapport: $\updownarrow 29 \leftrightarrow 29$ cm
Care:     
Instructions:
Use: 

Article Description

After the fabric has been woven, the cotton/linen background is finished by hand in two further steps. Firstly, the print motif is applied with hand patterns and then square fields are stitched using tucks. The result is a casual, modern decorative fabric with a natural handcrafted look and feel.
