Width: 152 cm
Material: Ground/Pile: 50% Cotton, 50% Flax (linen)
Rapport: $\updownarrow 106 \leftrightarrow 0$ cm
Care:     
Instructions:
Use:

Article Description

This item, with an elaborate repeat that embellishes its entire width, is a homage to the superb textile work carried out by British artist Barbara Hepworth in the 1920s. We have interpreted her characteristic geometrical style by juxtaposing rectangular striped panels on a semi-transparent base fabric by means of a Scherli process.
