PRODUCT DATA SHEET

PIECES 2750057

Brand: ZIMMER + ROHDE
Collection: Adventures
Category: wallpaper
Width: 90 cm
Material: NO LABEL FOUND [<Bitte Auswählen>]: 0% NO LABEL FOUND [898]
Rapport: $\updownarrow 0 \leftrightarrow 0$ cm
Care:     
Instructions:
Use:

Article Description

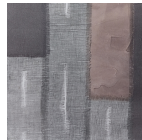

The Pieces wall covering is a hand-crafted masterpiece that cleverly brings materiality and modernity together. The surface of Pieces consists of three fine webs with different structures and materials that are dyed, cut and manually processed. The individual pieces are then glued and fixed to the pre-coloured background. The variation of thin gauze and coarse webbing combined with soft colour nuances creates an exciting overall effect and an inspiring interplay on the wall.
