Category: Trimming
Width: 9 cm
Material: Ground/Pile: 100% Viscose
Rapport: $\updownarrow 16 \leftrightarrow 0$ cm
Care:     
Instructions:
Use:

Article Description

This design was created from an antique document and brings new detailing to drapery applications. This 4" tape creates beautiful drama and style when coupled with linens and prints. The wide band is great for borders on walls, draperies and valances. When used as a tieback for drapery, a lining is recommended. This tape can be gently ironed before its application. Applications: Upholstery, furniture skirts and edging, window treatments, draperies, table runners, banding on pillows, throws, headboards and lamp shades, bedding. When matching mitered corners is necessary, note design repeat.
